**Proposal to be discussed** – Gatwick invite ideas on how the noise forums can have a balance of community representation which is currently not the case.

**Proposal for agreement at April Forum meeting** - *‘to raise concern at the NCF meeting that noise groups are portraying that they speak for/ represent town and parish councils in what is put forward. Just because a council is a member of a noise protest group, this does not mean they represent the said council in what is submitted to the NMB/ NCF/ NEX.’*
